

## << OTT LIVE STREAMING, INTERN (FULL OR PART-TIME)>>

Berlin, 01.07.2019

---

### TELEKOM INNOVATION LABORATORIES

At Telekom Innovation Laboratories (T-Labs), the passion for innovation and technology drives international experts and scientists to work together in the three core fields of Blockchain, Intelligence und Experiences. T-Labs is the R&D unit of Deutsche Telekom and is in a close partnership with the Technische Universität Berlin. At its sites in Berlin, Darmstadt, Beer Sheva, Budapest and Vienna, T-Labs sits amongst a world-class host of universities, startups, investors, research institutes and corporate innovation hubs to jointly shape the future of communication services.

The T-Labs team is engaged to live the entrepreneurial spirit and focus on developing Proof of Concepts (PoCs) and Minimum Viable Products (MVPs), which highlight future technology applications. In that way, T-Labs fosters its agility to adapt to a fast-changing and vibrant environment and always works on cutting-edge technologies.

To support the Experience team of Telekom Innovation Laboratories ([www.laboratories.telekom.com](http://www.laboratories.telekom.com)) in Berlin we are looking for:

### << OTT LIVE STREAMING, Intern >>, fulltime or 80 hrs./month
